

Watch every Preston North End game live on iFollow

As a valued season ticket holder, we're making every Preston North End game - home and away - available to you until the end of the season.

It's easy to watch the matches if you have a supported device by following these simple instructions:

1 Get your redemption code

We've sent it to you by email or contacted you on the phone.

2 Go to:

pnefc.net/ifollowsth

You'll see a box where you type the code you've been given - then press 'redeem your code now'.

3 Sign up or sign in to iFollow

iFollow is the service we use to stream our live matches. If you already use it then just sign in. If not, we only need a few details before you can sign up - and there's nothing to pay!

4 Enjoy the content

You'll find news, behind-the-scenes videos and lots of other great things about Preston North End, as well as your access to watch and listen to live games for the remainder of the 2019/20 season.

5 Test the system before matchday!

Take a look at some match highlights from previous fixtures to make sure you have full access and your device works properly.

6 Watch the games live

Log in before the match and go to the Match Centre. Hit 'Watch live now' to enjoy the action.

Redeem your code now so you don't miss out.

Having trouble?

Please contact the customer support team by emailing ifollow@epl.com or live chat service which can be found on the bottom right hand corner of Preston North End's homepage.
